

## Press release

### Okea contract achieved

As partner/subcontractor to Ridge, we are proud to announce that Gefion Nordic Norway is part of winning the contract of Okea well management and personnel project.

Rigde has together with Gefion Nordic Norway and partners, been awarded the delivery of well management and personnel services of a 3 year duration, with optional 3 years extension.

In a market characterized as challenging, we see it as an honour having been selected by a visionary company like Okea to be a part of their future operations.

Thanks to a complete package containing a variety of competences, Ridge has together with Gefion Nordic Norway and partners, managed to deliver a first class team, to assist Okea to create value and performance in the projects to come.

We at Gefion Nordic Norway, are looking forward to this partnership and to contribute with all our knowledge and skills, to reach the goals set by Okea for the entire operation.
